*Dear Rhett,*

*We at Grace Way Enterprises want to thank you personally for all your hard work in putting together our sale of the Schoemaker property. It certainly was the longest sale until closing we have ever experienced! Dealing with environmental issues was altogether new for us and with your expertise you helped us through it. It certainly did get frustrating at times, but you kept on top of the issues to get things completed and move forward.*

*We appreciate your integrity and professional attitude through this whole process that took about two years. We can't thank you enough for all of your help and would recommend you to anyone considering purchasing commercial property. Your vast knowledge in the real estate business was so helpful to us.*

*If in the future we need a realtor again, you are number one in our book.  
Thanks again to you and your office staff for all your help.*

*Respectfully,*

*Bud Harding*
